

# NEW BRACKEN RIDGE LIBRARY

PROJECT NEWSLETTER | OCTOBER 2018

*Dedicated to a better Brisbane*

Brisbane City Council is committed to creating new lifestyle and leisure opportunities and delivering vibrant, liveable communities.

Council is planning to redevelop the Bracken Ridge Library into a purpose-built community precinct incorporating the Bracken Ridge Ward Office. The new Bracken Ridge Library and ward office will integrate with the existing community hall and Jabiru community annexe.

The redevelopment will improve services at the facility including a larger library, enhanced accessibility features and improved internal and external facilities. Council is planning to build the new library building in the car park area adjacent to the existing library, to maintain library services during construction.

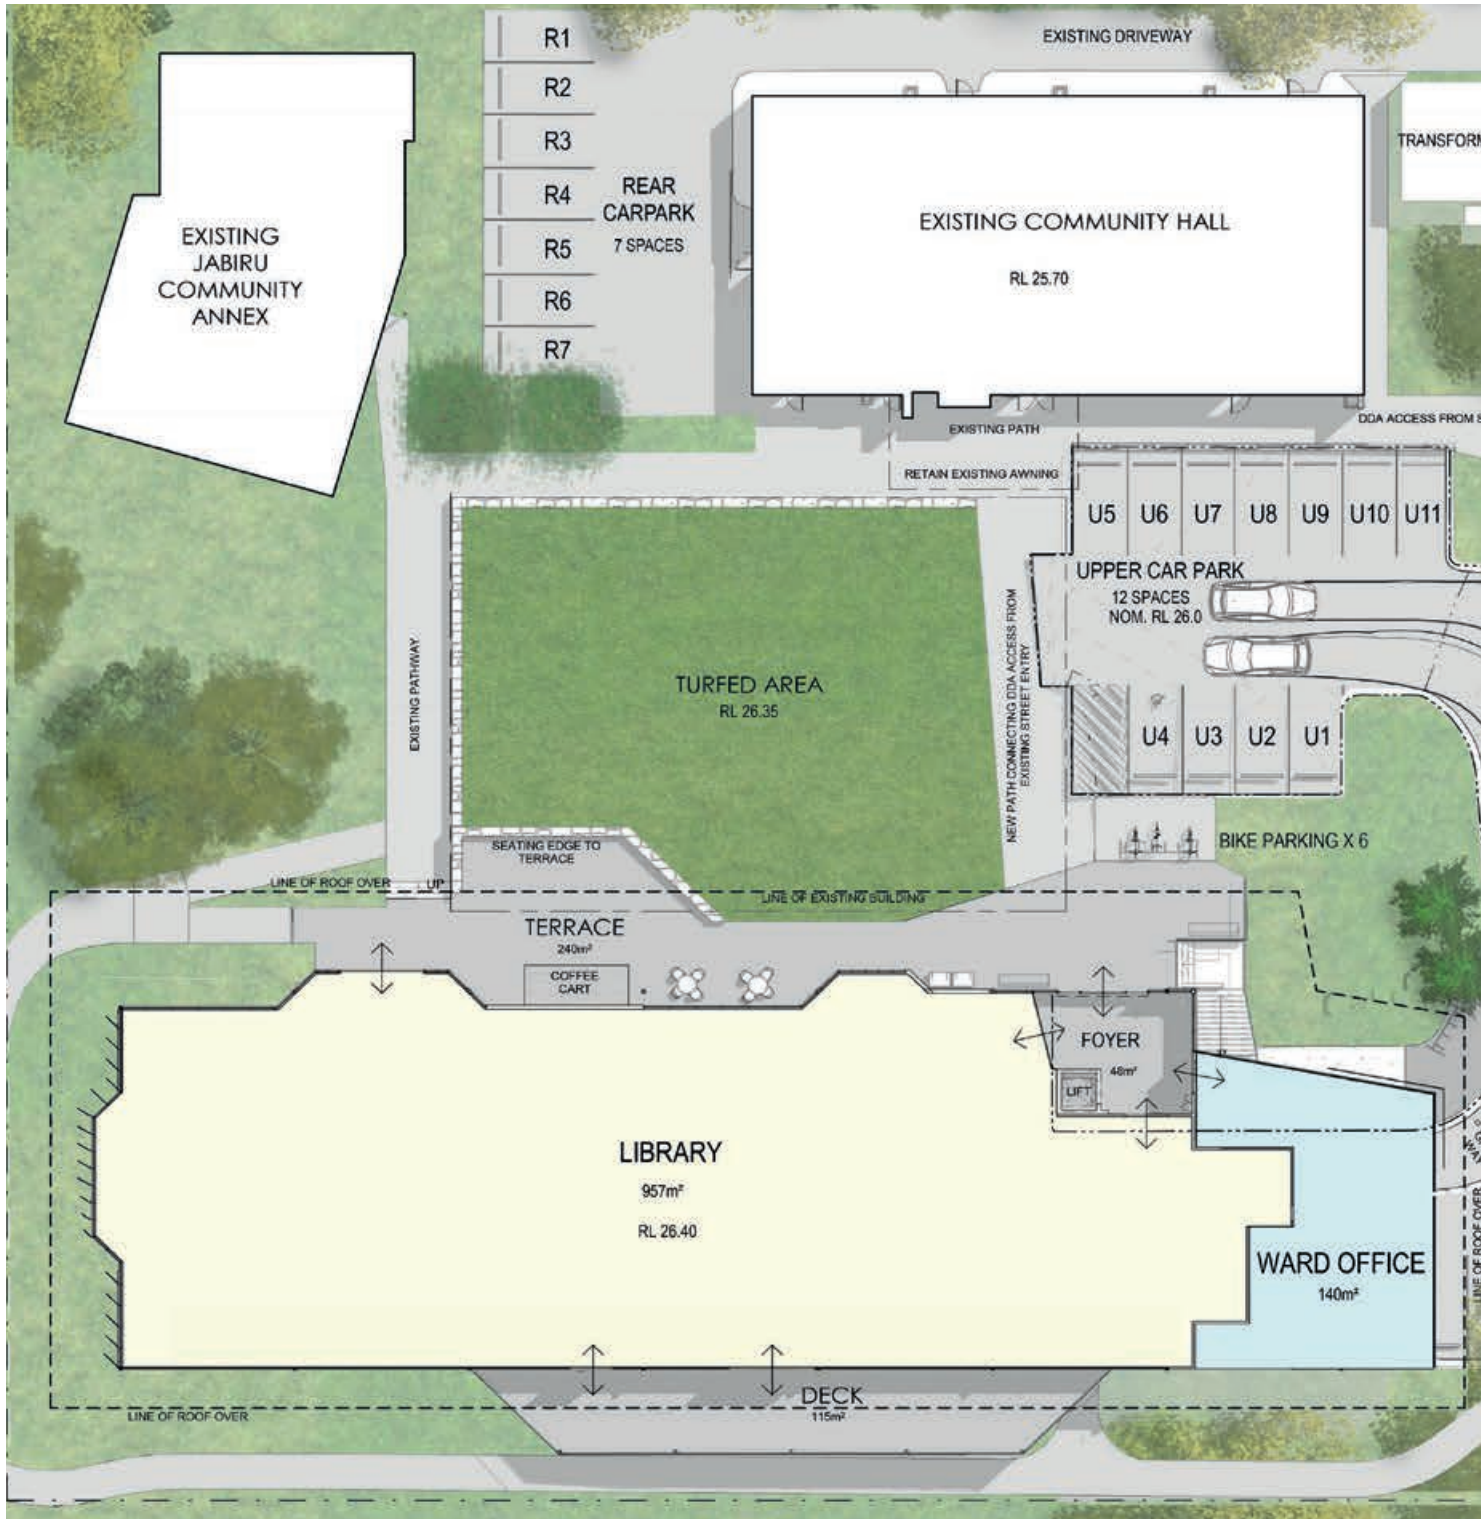

## Library facilities

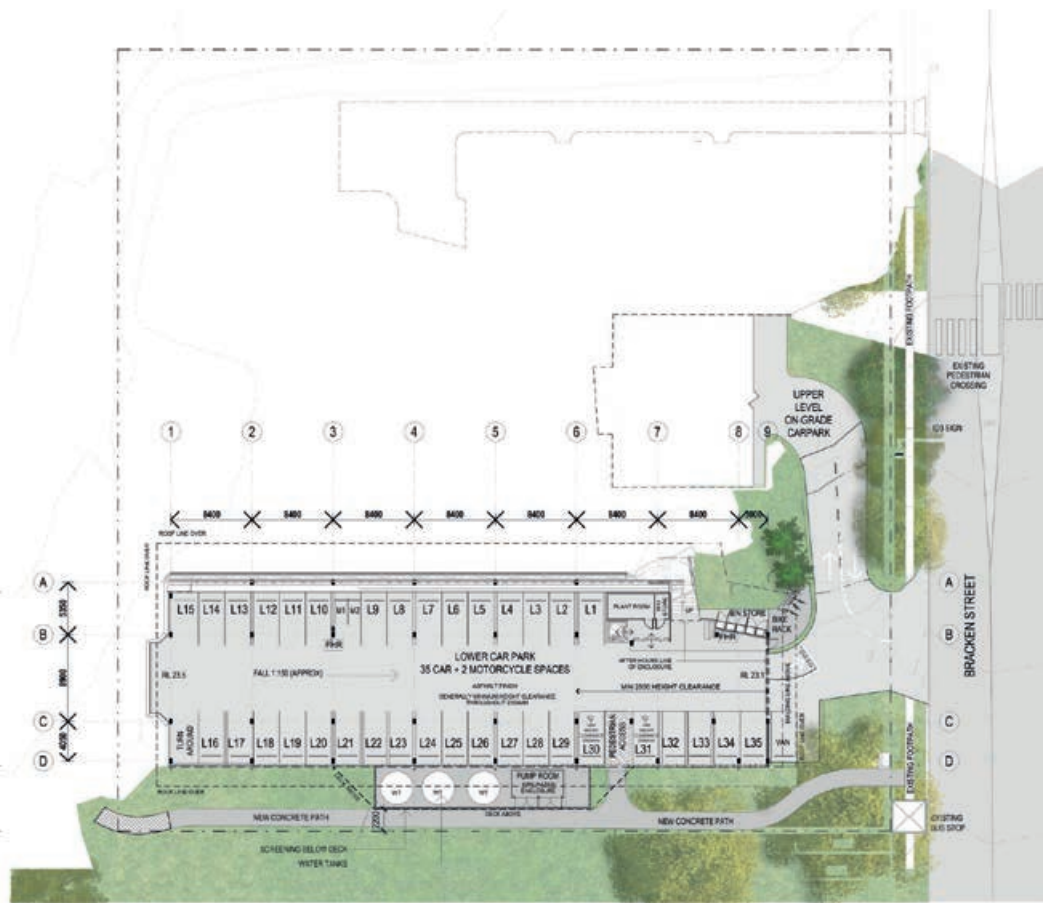

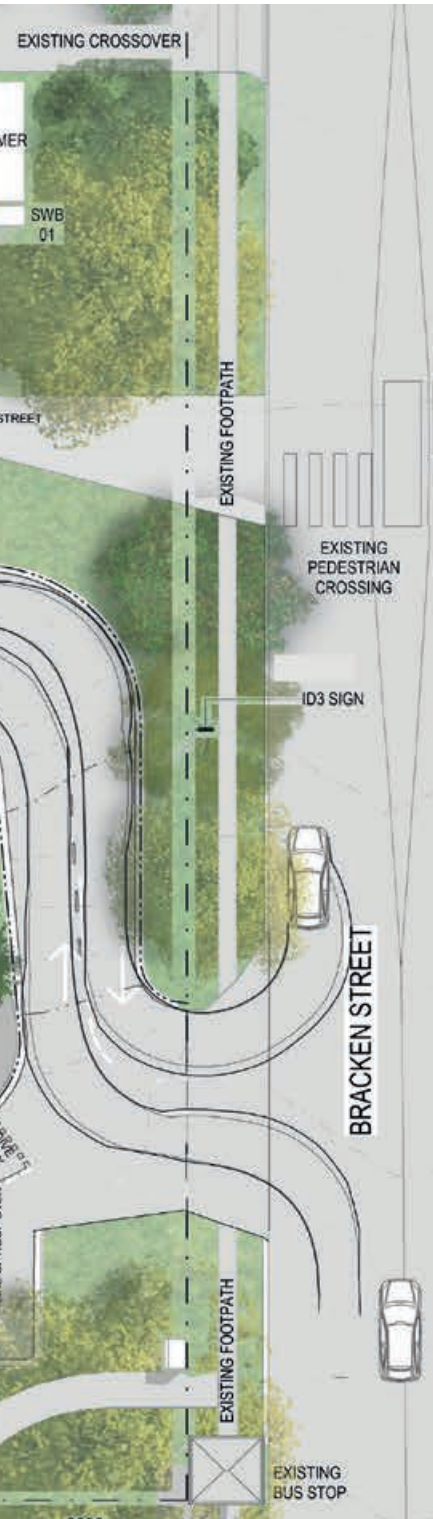

The proposed facilities of the new Bracken Ridge Library include:

- two public meeting rooms with 24/7 access, AV facilities and access to the kitchenette
- children's area
- quiet reading area
- large community table
- RFID technology for easy customer self-service borrowing and returns
- WiFi throughout
- eight computer internet stations
- a lift
- terrace with WiFi access, a coffee cart and access to a turfed square
- increased undercover and outdoor car parking facilities, providing approximately 50 car spaces and additional motorcycle spaces
- bike racks
- new landscaping.
